

Resource: Complaints Support for Participants

NDIS Quality and Safeguards Commission

The National Disability Insurance Scheme (NDIS) encourages people to raise their concern or complaint directly with the provider in the first instance. This is so providers have the opportunity to resolve your concern quickly and improve their services.

The Commission accepts complaints from anyone about services and supports funded by NDIS that:

- Were not provided in a safe or respectful way
- Were not delivered to an appropriate standard
- Did not manage your complaint in a way you are happy with

You can make a complaint to the Commission via:

Phone: 1800 035 544

TTY: 133 677

Using an online form:
